ITS-America UT Student Chapter Meeting
The University of Texas at Austin

Date: 3/5/2007
Time: 5-6 PM
Present: Mr. Aristeidis Pantelias, Mr. Ricardo Aitken, Ms. Allison Interrante, Mr. Varunraj Valsaraj

Past and Present tasks:
- Aris organized volunteers for Introduce a Girl to Engineering in which Alison also participated.
- Aris has coordinated with Annette in organizing the seminar by Dr. Takuya Maruyama. The room has been booked and the poster has been prepared. Advertisement for the seminar will start after spring break.
- ITS officers Ricardo, Allison and Varun participated in UT explore.
- The treasurer training sessions for Varun were successfully completed.
- The date for Habitat for Humanity has been fixed for June 16th.
- Aris updated the ITS mailing list by adding the new members into the list.
- Aris, Nick Lownes, Ricardo Aitken, and Alison Conway volunteered for Spring Engineering EXPO for a total of 9.5 hours and earned $237.50.
- Intramural softball season has started.

Future tasks:
- As part of the new student recruiting activity, ITS will cooperate with ITE in organizing lunch/birthday party and socializing with the visiting students.
- ITS website required updating on both the content side and the design side.
- historical ITS information for the advertisement of the chapter is still to be collected. This may be available with Dr. Walton.
- The ITS M.Sc. scholarship needs to be advertised.
